

**LOCAL "FLAG DAY" EVENTS IN QUEENSLAND
SEPTEMBER 3, 2008**

**All are welcome to join in their local celebration as below (Logan City, Bundaberg, and Toowoomba) –
If you can't attend, please make a special effort to fly or display our flag on its 107th "birthday"!**

LOGAN CITY

Flag Day celebrations are on the move this year, and Queensland's major ceremony will take place in Logan Central. The Logan City Council has been hosting ceremonies to mark Flag Day since 2000 and to acknowledge this great effort it has been decided to make this year's service the official one for the state. Our Logan Branch members report that the council has been an enthusiastic and generous supporter of Flag Day so we can look forward to a memorable day. Here are the details:

**10am WEDNESDAY 3RD SEPTEMBER
CENOTAPH AT LOGAN ART GALLERY
CNR WEMBLEY RD & JACARANDA AVE, LOGAN CENTRAL**

This should be a great occasion and we would love to see as many of our supporters as possible there. Make sure that you bring a good hat and wear sunscreen. Morning tea will be provided after the ceremony at the Art Gallery.

BUNDABERG

Once again, ANFA stalwarts, Roy and Marie Slapp have put in a huge effort to celebrate Flag Day in Bundaberg and would love to see a large turn out of flag supporters and friends. Roy and Marie want to stress that this is a day for everyone (not just ex-service people); all are welcome. The ceremony will be kept reasonably short and will feature interesting speakers. In the past, the occasion has also been used to commemorate the often overlooked role of the merchant marine and Roy and Marie would be delighted if all ANFA members in the area could make a special effort to attend this special day:

**10am WEDNESDAY 3RD SEPTEMBER
LIONS' REMEMBRANCE PARK
TAKALVAN ST, BUNDABERG**

TOOWOOMBA

The Flag Association in Toowoomba is recognising the fantastic promotion of our flag engaged in by the "DownsSteam" Tourist Railway & Museum. The celebrations for Flag Day will be held on-site, and all are welcome to attend. DownsSteam is a community volunteer organization dedicated to the establishment of a Tourist Railway for the Darling Downs region. (To read about the project go to <http://www.downssteam.com>).

**10am WEDNESDAY 3rd SEPTEMBER
DOWNSSTEAM TOURIST RAILWAY & MUSEUM
16 CAMBOOYA STREET, DRAYTON (JUST OFF ANZAC AVE)**
